

WHAT IS THE PARENT INVOLVEMENT PLAN?

What is it? This is a plan that describes how Jasper Middle School will provide opportunities to improve parent engagement to support student learning. Jasper Middle values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan assists in creating opportunities for parents to participate in activities and events to promote student learning at school and at home.

How is it developed/revised? Jasper Middle School welcomes parent input and comments at any time regarding this plan, and the Title I Schoolwide Plan. Parent input forms will be available to all parents of students enrolled in Jasper Middle to involve parents in the development of this plan, the district plan, the Schoolwide Plan, and the use of parent involvement funds. All parent feedback will be considered in the revision of all plans. The plans will go home with all students at the beginning of the school year. This Parent Involvement Plan (PIP) is posted on our school website for parents to view and send feedback throughout the year. We also distribute an annual survey asking parents for their review of our Title I Program, as well as all plans. This survey helps to guide how our parent involvement funds are spent. Parents can also give feedback during our annual Pickens County Parent Action Committee meetings.

Who is it for? All students participating in the Title I, Part A Program and their families are both encouraged and invited to fully participate in the opportunities described in this PIP. Jasper Middle will provide full opportunity for the participation of parents with limited English skills, parents with disabilities, and parents of migratory children.

Where is it available? At the beginning of the year, the PIP will be sent home with students in their Title I packets, posted on the school website, available at all schools, available at Title I Meetings, annual Title I events, and at the Pickens County Parent Action Committee meetings.

What is Title I?
 Jasper Middle School is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I Programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement plan.

The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers using letters to be sent home, meetings, and the school website.
