

January 3, 2017

Dear Parents,

Jasper Middle School is excited to announce that we will be offering tutoring on Mondays and Thursdays beginning January 12, 2017. Tutoring will be from 4:00 p.m. to 5:00 p.m. Any student needing extra help may attend these tutoring sessions.

Students who are failing classes will be asked to attend tutoring until their grade is at least a 70. Our goal is to assist every student to be successful, and we are determined to offer programs that will benefit students with their academic achievement. Tutoring attendance and work ethic during tutoring will be taken into consideration if retention is a possibility at the end of the year.

Disruptive behavior will not be tolerated during tutoring. The extra assistance is for only 1 hour; therefore, teachers need to be able to focus on the students' learning for the entire time. Student will also have to be picked up promptly at 5:00 pm in order to continue to attend tutoring.

In order to help us with planning for this tutoring program, please complete the form below and return it to the homeroom teacher by Thursday, January 5, 2017.

Thank you.

Anita Walker  
Principal
