

JMS CARES Hurricane Relief Project (NOW- Nov. 16, 2018)

EMPATHY IN ACTION #PositivePickens

Jasper Middle School is partnering with LiefGear (www.lanecreativesupply.com) and other organizations to provide Hurricane Relief efforts to those in Florida and South Georgia who have been impacted by Hurricane Michael. (Large Item Donations--Contact Mashonda Lane @ 678-294-3675)

From NOW until Thanksgiving Break (Friday, November 16, 2018)

JMS students and community members are encouraged to donate travel-sized hygiene items and other basic health supplies for our neighbors to the south. Some of these families have lost everything, so we would like JMS students to practice EMPATHY and experience the JOY OF SELFLESS GIVING!

Our goal is to collect items to create BLESSING BAGS with needed hygiene items that would help keep bodies clean & put 😊SMILES😊 on children's faces!

****Donation boxes will be available at JMS for student and community generosity!****
